

## COACH'S GUIDE AF COACH ONBOARDING

### CHECK-IN

ESTIMATED TIME TO COMPLETE: 4-5 HOURS

*To continue your growth as an AF Coach, it's essential that you review what's been going well and areas of improvement. Use this guide to review the previous month's performance and client/member engagement, determine future coaching goals, and develop business acumen.*

| TOPIC                | LEARNING OBJECTIVES                                                                                                                                                                                                                                                                                                                                                                                                        | HOW                                                                                           |
