

Club Expansion Questionnaire

Franchisee Name	
Club Address	
Where is your expansion space located and how does it connect to your current space? Please attach a floor plan/layout of expansion area.	
Current and new sq. ft. measurements	
Current and new monthly rent (increase in CAM or NNN?)	
Specific reason for expansion? (e.g. group exercise, cardio, added machines, etc.)	
What fitness equipment will be added? NOTE: All equipment needs to be approved by your FBC.	
Estimated cost of buildout	
Estimated total monthly cost increase (additional staff, utilities, rent, equipment lease, etc.)	
Have you been in contact with ProVision about your expansion?	
Does your DVR have enough space to handle the additional camera?	
Estimated construction downtime	
Projected expansion date	

Your Store Opening Coordinator and Construction Design Manager must approve the proposed expansion space prior to you starting any build out or committing to the space via lease signing. Upon space approval, you will receive an amendment to your franchise agreement from our paralegal team that outlines the expanded space. The expansion is officially approved once the amendment is signed & fully executed.
