

Franchisee Name

Club Address

Where is your expansion space located and how does it connect to your current space? **Please attach floor plan/layout of expansion area.**

Current and new sq.ft. measurements

Current and new monthly rent (increase in CAM or NNN?)

Specific reason for expansion (i.e. group exercise, cardio, etc.)

What fitness equipment will be added (all equipment needs to be approved by your FBC prior to purchase)

Estimated cost of build out

Estimated total monthly cost increase (additional staff, utilities, rent, equipment lease, etc.)

Have you been in contact with ProVision about your expansion?

☐ Yes ☐ No

Does your DVR have enough space to handle the additional cameras?

☐ Yes ☐ No

Estimated construction downtime

Projected expansion date

Your Store Opening Coordinator and Construction Design Manager must approve the proposed expansion space prior to you starting any build out or committing to the space via lease signing. Upon space approval, you will receive an amendment to your franchise agreement from our paralegal team that outlines the expanded space. The expansion is officially approved once the amendment is signed & fully executed.
