

CLUB RELOCATION CHECKLIST

Are you relocating your club or considering it? That's great news! Review this list of requirements and considerations before moving forward in the process.

FRANCHISOR REQUIREMENTS – PRIOR TO SIGNING LEASE

ITEM	DESCRIPTION	COMPLETE
RELOCATION SITE CRITERIA FORM	Prior to signing a lease or purchase agreement for your new space, you must complete the Relocation Site Form and send it to Jaime.Cumpston@sebrands.com	☐
RELOCATION AMENDMENT TO YOUR FRANCHISE AGREEMENT	Upon approval of the relocation, you receive a relocation amendment to your franchise agreement from a Paralegal. This document confirms your relocation has been approved. As soon as you receive this document, sign and return it right away to avoid delays in the process.	☐
APPROVED LAYOUT OF NEW DESIGN IN NEW SPACE (PROVIDED BY ANYTIME FITNESS, LLC)	Although you may be moving your existing equipment and other components to the new club, you need to build out the new space to meet the current design requirements. Your CDM (Construction Design Manager) will produce your club layout and identify all design aspects to ensure your new club is built to comply with our brand standards.	☐

FRANCHISOR REQUIREMENTS – AFTER LEASE SIGNING

ITEM	DESCRIPTION	COMPLETE
COPY OF YOUR LEASE	Once you've signed the lease or purchase agreement on the approved site for relocation, forward a copy to your Store Development Coordinator and Jaime.Cumspton@sebrands.com.	☐
CITY PERMITS, INSPECTIONS, ETC.	Once you've determined when buildout will begin, contact your city administrators, and have your construction permits and any other applicable permits, inspections, etc. prepared.	☐
PHONE LINES & UTILITIES	All Anytime Fitness locations must have a phone line installed for member safety and ample electrical installation to support the security system and equipment for the club. Some utility companies need a few weeks' lead time to service your club. Contact them as soon as possible to avoid delays with your club opening.	☐
SECURITY	Security is at the core of our brand. Without it we can't operate 24/7. Work with Provision to ensure your new space is covered: - Coordinate the uninstallation of your security equipment with Provision at your old site. If you uninstall yourself, the equipment is no longer under warranty, and you risk having to replace any items that are broken in transit. - Provision will send you a checklist of items needed (phone lines, electrical, etc.) prior to installing security in your club.	☐

CLUB RELOCATION CHECKLIST

	Due to the high volume of clubs they are supporting, allow at least 6-8 weeks lead time for them to get to your club. If you do not use Provision for your security uninstallation and reinstallation during your relocation, you will be charged a \$1,999 compliance fee.	
AED & FIRST AID	Now is a great time to replace the batteries in your Automatic External Defibrillator (AED) and make sure the pads have not expired. Your AED should always be functional – this is extremely important for your members' safety. It's also a great time to replenish your supply of first aid equipment.	☐
EQUIPMENT	Evaluate the condition of your equipment. Consider upgrading or replacing some pieces if needed. Connect with the approved fitness equipment vendors to discuss options for upgrades or replacements.	☐
UNAPPROVED EQUIPMENT & SERVICES	All fitness equipment and services in your club must be ones that are approved by Anytime Fitness Franchisor, LLC. Below is a list of items that are NOT approved. If they are installed or already in your new space before you move, you will be asked to promptly remove them from your club: - Climbing walls - Any size pool, hot tub, or sauna - Smoothie bars - Reception / front desk areas - Childcare - Locker rooms or multi-occupancy restrooms If you have questions on any design elements, call your CDM. It's better to address those concerns before it's too late and you may be required to make costly updates.	☐
EXTERIOR SIGNAGE	Visibility is huge! How does that old sign look? - Be sure signage is compliant with current AF standards. - Check your lease. Most landlords have strict standards outlined in your lease about the removal or installation of any exterior signage on the building. - To avoid damaging your sign, we recommend hiring a professional sign company to remove your signage at the old location and install it at the new location. If there are any questions or concerns about your exterior sign, call your CDM.	☐

YOUR MEMBERS

ITEM	DESCRIPTION	COMPLETE
COMMUNICATION	Give your members plenty of notice of your upcoming relocation. We suggest posting a sign in the common areas of your club,	☐

CLUB RELOCATION CHECKLIST

	sending out an email, posting on social media, and notifying any new or prospective members of the change.	
DOWN TIME	We know you would prefer NO downtime for your members during your relocation. In some situations, this isn't possible. You're only able to close for up to 2 weeks before members have the right to cancel their membership. If you have some downtime, let your members know well in advance. They will appreciate the heads up. Use this time to get them excited about the new location!	☐
GRAND OPENING	Do something fun for your members. They will soon enjoy a fresh, new location and a new place to call their fitness home. Here are some fun ideas you can do for your members: • Hold a raffle / drawing for a prize • Reward member referrals – refer 5 people to our new location, receive your next month free! • Host a grand reopening party for your members – good food and good company go a long way! • Survey your members – how do you like the new location? What can we do to make your experience better? Call your Franchise Business Consultant (FBC) if you'd like other great ideas for marketing your new club!	☐
MEMBER PRICING	Consider raising your prices for new memberships. You've invested in this brand-new club for your members and this may help to recoup some of that investment. Reminder: you can't charge less than \$29 / member. If you have any questions, contact your FBC.	☐

BEFORE OPENING IN THE NEW SPACE

ITEM	DESCRIPTION	COMPLETE
REQUIRED COMPLIANCE ITEMS	Before you open in your new space, send your Store Development Coordinator updated insurance and surety bond with the new address, quotes of any new fitness equipment added, photos of the completed club buildout, and the construction bid with the total project cost.	☐
WEBSITE	Upload new club photos to your website and ensure all other data is accurate.	☐
ABC FITNESS SOLUTIONS	Reach out to ABC Fitness Solutions within 2 weeks after relocating to provide them with your new address.	☐

If you have questions during the process, ask your FBC and / or your Store Development Coordinator.
