“Hey Mrs. Smith—what inspired you to come check us out today?”

MRS. SMITH:

“I’m just looking to get back into shape.”

COACH:

“Awesome. What are some of your goals you’re looking to achieve?”

MRS. SMITH:

“Mostly weight loss.”

COACH:

“Totally get that. And just out of curiosity—how’s your nutrition been lately?”

MRS. SMITH:

“Not great, to be honest.”

STEP 2 | PLANT THE SEED

GOAL: Introduce the challenge casually—no pressure.

SCENARIO 1

COACH:

“Mrs. Smith, we’ve got something coming up you might like—it’s called the AF360 Challenge. It’s 6 weeks of nutrition coaching, weekly habits, a plan, body scans, the whole deal. I think this is exactly what you need to get to the next level.”

MRS. SMITH:

“When does it start?”

COACH:

“It kicks off on (insert date), and we’ve only got a few more spots available. Do you want me to put you down so we can lock in your spot?”
