| February is:<br>Black History Month<br>American Heart Month                                                                                                                                                  |                                                                                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                 |                                                                                                                                                                                                  | 1<br>WELCOME FEBRUARY<br><br>February is a crazy month in the fitness world—check in with consumers. Some may have fallen off their projected path while others might be looking to expand. Meet your members where they are!                                         |
| 2<br>GROUNDHOGS DAY<br><br>Will we have six more weeks of winter or an early spring: who knows? Have members put their guesses using a Poll on your Story.                                                   | 3<br>WEAR RED ON FRIDAY<br><br>Make a post explaining National Wear Red Day on Friday! Share some facts and stats about heart health. Need ideas? Check out AHA's website: <a href="https://www.goredforwomen.org/en/get-involved/give/wear-red-and-give">https://www.goredforwomen.org/en/get-involved/give/wear-red-and-give</a> | 4<br>POTLUCK FAVES<br><br>Using a Carousel or Story, share 3-4 recipes for potlucks that incorporate better-for-you recipes. Check out the AF Blog for ideas: <a href="https://www.anytimefitness.com/cccf/">https://www.anytimefitness.com/cccf/</a>  | 5<br>NATIONAL GIRLS & WOMEN IN SPORTS DAY<br><br>Do you coach female clients who compete? Do you train local athletes or help with school sports in your area? Give a shoutout to the bad-a** women and young ladies who might work out / train within your gym! | 6<br>SESSIONS<br><br>Share your training and recovery session schedule! When and how can someone join in on the group fitness fun? Or share a Reel of a sneak peek for an upcoming session.                                     | 7<br>NATIONAL WEAR RED DAY<br><br>In support of the American Heart Association, encourage your members and staff to wear red and snaps some photos in the gym!                                   | 8<br>GYM AMENITIES<br><br>Red light? Recovery tools? Evolt? Showcase an amenity in the gym and how members can use it.                                                                                                                                                |
| 9<br>SUPERBOWL SUNDAY<br><br>Two teams face each other for the ultimate title in the NFL – the Vince Lombardi trophy! Get involved on social by challenging fans to a push-up contest or wager some burpees! | 10<br>HYDRATION<br><br>The power of H2O is no joke! There are many options for hydrating (e.g. different water brands, bottles, cold vs room-temp) and adding in electrolytes can take it to a whole new level. Share hydration tips in a Reel.                                                                                    | 11<br>COACH SPOTLIGHT<br><br>Show some love to your coaches by sharing overviews of each coach. Do this in a Carousel or use this idea to do a weekly showcase of one coach!<br><br>Use <a href="#">this template</a> from the Brand Marketing Center! | 12<br>FUN IN THE GYM<br><br>Have a funny gym moment you are looking to share? Make a Reel, share a meme or even make a Reel with trending audio!                                                                                                                 | 13<br>GALENTINES DAY<br><br>This one's for the girls (or anyone – it's really just about celebrating friendship). For the single lads and ladies who might not be looking forward to tomorrow's holiday, have some fun with it. | 14<br>VALENTINES DAY<br><br>Nothing beats sweating it out on the purple turf with your sweetie!                                                                                                  | 15<br>COMMUNITY EVENT<br><br>Will you have a table set up at a local event in your community? Do you support or train individuals who are competing at a local event your members could cheer on?                                                                     |
| 16<br>BUILD A GROCERY LIST<br><br>Going to the grocery store can be time consuming and daunting when you don't prep for your week! Share tips on how you make your grocery list each week.                   | 17<br>POST WORKOUT NUTRITION<br><br>Share some tips and tricks on how to make the most of your gains with post-workout nutrition. You can share recipes, snacks, or prep tips to make sure you get that protein in!                                                                                                                | 18<br>A LOOK AT GROUP TRAINING<br><br>Take video of a group training or have a coach walk through what it's like to attend group training at your gym.                                                                                                 | 19<br>LEVEL UP VARIATIONS<br><br>Out with the cold and in with the BURN baby! Share how members can take their moves to the next level. This works best in Reels format.                                                                                         | 20<br>RECOVERY WORK<br><br>Post a Poll on your Story: how many members do recovery work? Follow up with a second story slide with the question box to find out what they do for recovery.                                       | 21<br>FLASHBACK FRIDAY<br><br>We're taking it back to the good 'ol days (which is whenever you'd like!) Share an old picture of the gym, last year's challenges, or maybe even your opening day! | 22<br>WINTER BLUES<br><br>Winter can bring out depressive feelings for many, which is known as Seasonal Affective Disorder. Movement (even just a quick walk) can help give the endorphins your body is looking for! Share a few tips to help avoid the winter blues. |
| 23<br>MEAL PREP FOR SUCCESS<br><br>Is there a secret formula to all this nutrition stuff? Sort of! Share tips and tricks for meal prepping to make staying on your macro targets easier.                     | 24<br>NEVER MISS A MONDAY<br><br>Throw out a motivational post for your followers – sometimes Monday's need a little help! #NeverMissAMonday #NMAM                                                                                                                                                                                 | 25<br>GYM BAG ESSENTIALS<br><br>What should really be in your gym bag and what's a waste of space? Poll members on their TOP item that MUST be in their gym bag!                                                                                       | 26<br>MOBILITY ROUTINE<br><br>Take time to put together 3-5 moves that can help loosen up the body and start the day right.                                                                                                                                      | 27<br>NEW EQUIPMENT<br><br>Got new equipment? Updated parts of your gym? Share out the information!                                                                                                                             | 28<br>MENTAL HEALTH<br><br>What are ways exercise and nutrition can help improve your mental health? Share out some stats!                                                                       |                                                                                                                                                                                                                                                                       |
