|                                                                                                                                                                                                                                                                                                                         | 1<br>HAPPY 2024!<br><br>Encourage members to start the year off strong by getting into the gym! Share a workout they can complete using equipment found in the gym or poll members to see what they plan to work on.                                                                  | 2<br><br>TIPS TO #MAKEITTOMARCH<br><br>AF Corporate will be using the hashtag #MakeltToMarch during Q1 to help make those habits stick. Share ways members can help stick to their goals this year and #MakeltToMarch.                                 | 3<br><br>MYTH BUSTERS<br><br>The internet has a plethora of information, but not all of it is legit. Help dispel a popular fitness-industry myth. Need ideas? Check out the Community tab in the Anytime Fitness App to see what questions are being asked.                                                                  | 4<br><br>CREATING A ROUTINE<br><br>Educate followers on the importance of consistency and getting to the gym each week. Share tips on how creating routine can defend against mental health issues during the colder months or other solutions for sticking to your plan. | 5<br><br>#TRENDING<br><br>Use a sound from the January Social Calendar franchise notice to boost your algorithm. Creating content using Instagram's Reels is a great way to show the algorithm you like to participate in what's popular on the app.                                                                | 6<br><br>SWEAT IT OUT<br><br>Ask members to share their sweat selfies after their Saturday workout! Leverage the "add yours" sticker on Stories to collect these. Take the Stories submitted and put them together in a Reel to showcase how awesome your gym fam is doing this year! |
| 7<br><br>MINDFULNESS AND REST<br><br>The first 7 days of the year bring hope and joy, (and also sore bodies) which can lead to burnout and gym fatigue. Help members understand finding balance in the gym using tools like mindfulness, meditation, stretching and low-impact movement.                                | 8<br><br>GIVEAWAY ALERT<br><br>Giveaways are a great way to expand your reach and gain new followers. Giveaways should speak to your offerings (e.g. training sessions, gear, or wearable tech). Create a giveaway post and ask members to tag a friend and follow you to be entered. | 9<br><br>GROUP TRAINING FAQs<br><br>New members, new year, newcomers to group training! Share what group training is all about and how it can be incorporated into a holistic workout plan.                                                            | 10<br><br>FAVORTIE PRODUCT<br><br>Showcase a fitness-related item you or one of your coaches enjoys using. This can be a great place to show off your Myzone, any in-club retail or food and beverage options.                                                                                                               | 11<br><br>STAFF SPOTLIGHT<br><br>Who are those happy faces members see when they enter the gym? Highlight your staff to help members connect with them!                                                                                                                   | 12<br><br>SLEEP TIGHT<br><br>Rest or workout: what's more important? Should you skip the gym after a late night out? What about too much sleep? Share insights on how your sleep cycle can affect your performance in the gym and your health overall.                                                              | 13<br><br>PLUS-UP RECIPES<br><br>The short winter days call for comfort and health. But healthy food can't be tasty, right? WRONG! Share ways to make some all-time favorites more nutrient-dense or easy swaps for classics! Check out <a href="#">Coach.Care.Connect</a> for ideas. |
| 14<br><br>ACTIVE RECOVERY IDEAS<br><br>Weekends can be busy for many people. Take a moment to highlight quick and rejuvenating opportunities for rest days.                                                                                                                                                             | 15<br><br>WE'VE GOT YOUR BACK<br><br>How does your club support its members? From training options to being able to connect with friendly faces in the gym, what is your community all about?                                                                                         | 16<br><br>TRAINING SPOTLIGHT<br><br>Share a training client who's been killing it on the purple turf with your team! Have them share a few words while you record about their experience and their favorite parts of training with a Coach at AF.      | 17<br><br>MINDFUL MOMENTS<br><br>Keeping phones in a separate room while you sleep is one of the top tips CEO Chuck swears by when it comes to life balance. Share how your team handles mindfulness and stress management.                                                                                                  | 18<br><br>FAQ<br><br>Create a quick video answering frequently asked questions by new members and pin it to the top of your IG feed to help potential members understand what it's like to be a part of the #AFFam!                                                       | 19<br><br>EVOLT EDUCATION<br><br>The Evolt is just one tool in your playbook to help members #MakeltToMarch. Share how using the Evolt is key in tracking success and staying accountable. Share a video with tips and tricks on getting the best results (e.g. fasting, being mindful about the time of day, etc.) | 20<br><br>ANYTIME FITNESS APP<br><br>Share how integrating the Anytime Fitness App can help members have a plan when they aren't sure where to start, or how it helps you connect with others seeking advice and information on wellness and nutrition.                               |
| 21<br><br>MEAL PREP INSPO<br><br>What's cookin' in your kitchen this week? Snap a pic of your cart at the grocery store or give members a forum to share their meal plans for the week. Emphasize how creating a plan for meals at the beginning of the week can set members up for success and make mealtime a breeze. | 22<br><br>#MakeltToMarch<br><br>We've made it past the infamous "21-days" to help build a habit—don't quit! Grab a mindfulness tip from the Mass Publishing calendar and share ways members can incorporate mindfulness into their overall wellness routine.                          | 23<br><br>STRENGTH MOVEMENT<br><br>Show off a strength movement with progressions for those who are looking to amp up a certain aspect of their workout regimen. Pro Tip: poll your followers on Instagram Stories to find out what they want to know. | 24<br><br>NATIONAL COMPLIMENT DAY<br><br>Show some love to your members by participating in National Compliment Day. Create a post where followers can comment and leave kind words of encouragement for each other. Take this in-club by leaving out sticky notes for members to write sweet compliments on for each other! | 25<br><br>#TBT<br><br>Share a picture from the beginning of the year or share a member win in the first month of 2024. What else are members looking to accomplish? Use a Story Sticker to capture goals from followers.                                                  | 26<br><br>REASONS TO HIT THE GYM<br><br>Many people struggle to find the energy and time to hit the gym. Give three guilt-free examples as to why your followers should hit the purple turf today!                                                                                                                  | 27<br><br>WE'VE GOT YOUR BACK<br><br>How does your club support its members? From training options to just being able to connect with friendly faces in the gym, what is your community all about?                                                                                    |
| 28<br><br>FUN AT WORK DAY<br><br>While you may not be staffed on Sundays, that doesn't mean you can't show your social a little love (SOCi scheduler)! Create a Reel or carousel of photos showing all the fun your team has while working at Anytime Fitness!                                                          | 29<br><br>GYM INTERIOR/AMENITIES<br><br>Many followers may be curious as to what amenities your gym offers and what sort of equipment is available. Snap a pic of your gym's interior for followers.                                                                                  | 30<br><br>WHAT AF MEANS TO YOU<br><br>Ask members or staff to share what AF means to them! Why should a new member join? What makes AF different from other gyms? Film this during hours you are in the gym and schedule it ahead of time on SOCi.     | 31<br><br>STRETCH IT OUT<br><br>Do you stretch before or after your workout? What are the benefits of stretching? What stretches should I be doing? Share the answers to these questions in a FB/IG LIVE or Reel.                                                                                                            |                                                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                                       |
