For Role Play

- **What's** your number one goal?
- **How** long have you been thinking?
- **Why** is that important to you?
- **Why** is now a good time?
- **What** have you done in the past?
- **Tell** me more about that?

Pro Tip

80/20 Listening

- ➔ Client talks **80%**
- ➔ Coach talks **20%**

What is your fitness goal? Why?

How will achieving your goal effect your life?

How important is this goal to you on a scale of 1-10?

How long have you been thinking about achieving these goals? Why now?

Who else will be effected when you achieve your goal?

Who do you have in your life that will support you in this journey?

GOALS & MOTIVATION

→ Tell me more about that. How does that make you feel? ←

Are you currently involved in a fitness and/or nutrition program? What does the program look like?

What have you done in the past? What else...?(DIG DEEP)What is your current relationship with exercise?

When were you in the best shape of your life?

How did you feel at that time?

What is different now?

Rate your knowledge and habits of nutrition as it pertains to your goal scaled 1-10

What habits do you currently have that are moving you away from your goal (Towards)?

Do you have a wellness budget?

PAST

→ Tell me more about that. How does that make you feel? ←

What is your current plan to achieve your goal?

On a scale of 1-10, how confident do you feel you can achieve your goal on your own?

What can I do to help you get your confidence to a 10? Why that number?
