Participating locations

- All instructors, including substitutes, must abide by the instructor requirements.
- SilverSneakers signature classes may only be taught in contracted class locations.
- Class implementation:
 - We recommend each member have 16 square feet to perform class movements in the group exercise room.
 - For every 30 class participants, an additional staff member is required.
 - If class size exceeds the class space, we recommend additional classes be added to the schedule.
- Equipment can be purchased through the Participating Location Portal in “supply ordering.”
- Locations must maintain the required class equipment.
- Signature class formats must follow the training as designed and not vary from the intended format.
- Marketing class materials are available through the Participating Location Portal under the “reference” section.
- Music can be purchased through Yes! Fitness Music, Tivity Health’s preferred partner.
