

Sign-In Sheet

Anytime Fitness Club Name and ID _____

If a member cannot access your location via their key fob or access pass the day of the visit or the check-in system is down, members can record their visits on this form until the visits can be manually entered into your system. Documentation of manually entered visits is required for potential audit purposes. To comply with Medicare guidelines, this form must be retained for a period of 10 years.

[illegible]
