

DAY 1

9:00-10:15am

WELCOME! + BUSINESS UPDATE

It's time to align club-level execution with our 2026 strategic business goals! We'll break down the key growth and execution levers that matter most and show how the Vitals agenda is designed to move us forward together. Think of this as the starting line: clear priorities, shared focus, and a system-wide commitment to winning the right way.

BREAK

**10:30am-
12:00pm**

PERFORM ON THE "X" with Keynote Speaker, Stephen Drum

The "X" is the point of most friction—the moment where strategy meets reality and the mission is won or lost. For Anytime Fitness leaders, "The X" isn't a battlefield; it's the daily opportunity to lead a team, inspire a member, and grow a business in a competitive landscape. In this high-impact, interactive keynote, retired Navy SEAL senior leader Stephen Drum draws on 27 years of experience in the world's most elite teams to share a no-nonsense framework for elite performance. Through gripping stories and high-stakes lessons, Stephen provides the "Elite-Operator" mindset required to lead with intent and execute under pressure.

12:00 – 12:45 pm

LUNCH

12:45-1:45pm

THE AF TECHNOLOGY PLATFORM VISION: AF PORTAL UPDATE

Technology should simplify your business, not complicate it. In this session, Michelle Wittwer will share the latest platform updates and future vision for the Anytime Fitness technology ecosystem, reconnecting AF Portal to the Run the Business system and daily club operations. You'll gain clarity on where the roadmap is headed, what's new, and how to leverage these tools to create smoother workflows, stronger execution, and greater confidence in your club's day-to-day management.

1:45-2:30pm

COACHING AT AF

Coaching at AF defines the core promise that differentiates Anytime Fitness in the marketplace: every member receives a personalized, holistic coaching experience that integrates training, nutrition, and recovery. This session aligns leaders on what Coaching at AF means at the baseline level, why consistency across clubs protects the brand and franchisee value, and how coaching functions not just as a message—but as a business system. Attendees will gain clarity on how coaching drives results, retention, and differentiation, and how delivering it consistently gives every club the levers to grow.

2:30-4:00pm

AF SMARTCOACHING ECOSYSTEM DEEP DIVE

This session builds clarity and confidence in the SmartCoaching Ecosystem by bringing the AF App, Coaching Dashboard, and in-app Nutrition tools to life through hands-on application and best practices. Attendees will learn how to use key features to establish consistent coaching expectations that drive efficiency, stronger member experiences, and improved KPIs.

4:00 – 6:00 p.m.

HAPPY HOUR & VENDOR TRADESHOW

DAY 2

9:00-9:15am	WELCOME TO DAY 2! Day 2 shifts from big-picture strategy to the daily execution that drives real results inside your club. Building on yesterday's insights and messages from Stephen Drum, we'll focus on strengthening systems and reinforcing consistent standards to help bring strategy to life inside the club. You'll leave with clear, practical priorities designed to create a consistent, repeatable performance.
9:15-10:00am	RECOVERY As a core pillar of the Anytime Fitness Training, Nutrition, and Recovery experience, Recovery plays a critical role in delivering results and driving revenue. In this session, we'll simplify what it takes to successfully implement, scale, or optimize AF Recovery services. You'll walk away with clear, practical direction on how to integrate recovery into your club and make it a meaningful part of your member journey.
BREAK	
10:15am-12:15pm	THE NEXT PHASE OF AF TRAINING: IMPLEMENT AF STRONG & AF HIIT This session introduces AF Strong & AF HIIT as the next phase of AF Training. We'll explore the consumer insights and pilot results behind this evolution, clarify how the programming works, and outline what it takes to begin implementing it in your club. You'll leave with a clear understanding of the member experience, the role each team member plays, and the first steps to move this programming forward.
12:15 – 1:00 pm LUNCH	
1:00-3:00pm	SALES TRAINING: SELLING THE VALUE, NOT THE DISCOUNT In today's marketplace, price isn't the problem, process is. This interactive session strengthens the first three steps of the 7-Step Sales Process (Greet & Build Rapport, Qualifying, and the Personalized Club Tour) so your team can confidently uncover real needs, personalize solutions, and build undeniable value in coaching. Through live demos, role-play, and practical frameworks, you'll learn how to shift from feature-dumping and price-presenting to leading purposeful conversations that drive conversions and differentiate AF from "the other guys."
3:00-4:00pm	EXECUTE THE AF EXPERIENCE: BRING YOUR PLAN ON A PAGE TO LIFE Bringing the AF Coaching experience to life in your club requires intention and action. In this session, you'll commit to a clear goal, prepare with the right tools and priorities, and execute your strategy using the Plan on a Page resource. Together, we'll map out responsibilities, identify key actions, and determine how you'll reflect on progress to stay accountable and continuously improve. By the end, you'll have a practical plan to turn the AF Coaching experience from an idea into everyday reality in your club.
