

Medallia

CLUB IMPLEMENTATION GUIDE

Medallia is a platform that sends surveys to members about their experience during the different touch points through their member journey. The purpose of the surveys is to provide 'subjective' feedback on members' experience at Anytime Fitness and better understand what drives their usage and loyalty.

Use this guide to help implement Medallia into your club.

Resources include:

- Medallia Prep Checklist
- Medallia Team Meeting Guide
- Medallia Academy Course Tracker

Medallia

(STARTING ON 4/13) TO ENSURE READY TO GO AT LAUNCH!**

Medallia

TEAM MEETING GUIDE

As you implement the new Medallia system, it will be crucial that your entire team is prepared. Use this team meeting guide to prepare the whole team.

Agenda	Time	Description
Welcome	5 min	Gather the team and make any announcements
Ice Breaker	10 min	- Think about a recent customer experience that affected your overall perception and satisfaction with a brand (could be positive or negative). How did you feel after the experience? - Did anyone reach out to you to ask about your experience? - If negative, did the company "make it right"? If so, how did that make you feel? After a few minutes have everyone share. Thinking about these experiences can ground us in understanding why gathering customer feedback can help us grow as a team to provide excellent customer service!
Medallia Overview	15 min	Share an overview of the new customer experience platform, Medallia. Topics: - How to access Medallia - End to end Medallia process - What questions will be asked on the survey - How to respond to feedback (negative AND positive) Resource: Medallia Documentation & Medallia Academy Course
Roles & Responsibilities	5 min	Discuss who on the team will be your Medallia "champion" (recommend an owner, regional manager or manager) and responsible for: - Accessing Medallia - Responding to Reviews - Sharing Feedback with Individuals - Sharing Feedback Overall
Goals & Expectations	5 min	Define Expectations & Team Goals - Response Time (within 48 hours) - Overall Satisfaction (OSAT) Percentage
Prepare for Feedback	5 min	"Feedback is Coming!" Spend some time making a plan for each team member to complete Academy course(s) depending on their role that will help them sharpen their skills around customer service and Fitness Consultations. Academy Courses: - Customer Service Foundations - Customer Complaints & Cancellations - How to Conduct a Fitness Consultation - Medallia: Managing Customer Feedback
Closing	10 min	Wrap up and answer any outstanding questions

Medallia

ACADEMY COURSE TRACKER

Before implementing Medallia, it is recommended to refresh the team's skills on customer service and delivering fitness consultations. Use this course tracker to assign relevant courses by role and track your team's progress!

Recommended courses: Customer Service Foundations, Customer Complaints & Cancellations, Medallia: Managing Customer Feedback & How to Conduct a Fitness Consultation.

Sign and date your name on the chart below when you complete a course.
