

OBSERVATION FEEDBACK FORM  
FITNESS CONSULTATION (Staff)

DATE OF OBSERVATION: \_\_\_\_ / \_\_\_\_ / \_\_\_\_

TEAM MEMBER'S NAME:

FACILITATOR'S NAME:

**DIRECTIONS:** Use this form to observe a team member. There are two sections to observe: operations (what to do) and people skills (how to do it).

Check the boxes below as each behavior is observed. After the observation, the team member and facilitator will exchange feedback on areas that went well, areas of improvement, and targeted skill development.

| OPERATIONS                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | NOTES |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------|
| <b>PREPARE FOR THE CONSULTATION</b> <ul style="list-style-type: none"><li><input type="checkbox"/> Reviews member's notes (with the gym manager)</li><li><input type="checkbox"/> Reviews member's profile</li><li><input type="checkbox"/> Reviews member's AF App onboarding responses in the Coaching Dashboard and Strength Assessment status</li><li><input type="checkbox"/> Performs 24-hour reminder call and sets expectations for the FC</li><li><input type="checkbox"/> Sends a reminder chat message</li><li><input type="checkbox"/> Mentions a motivator, goal, or concern during the call</li><li><input type="checkbox"/> Prepares printed materials: Collecting The Story Questionnaire and Equipment Orientation Checklist</li></ul>                                                                                                                    |       |
| <b>STEP 1: COLLECTING THE STORY</b> <ul style="list-style-type: none"><li><input type="checkbox"/> Greets the member at the door</li><li><input type="checkbox"/> Introduces themselves by name and title</li><li><input type="checkbox"/> Sets expectations for the FC</li><li><input type="checkbox"/> Leads the member to a quiet area to talk</li><li><input type="checkbox"/> Has member complete the Par-Q questionnaire (if applicable)</li><li><input type="checkbox"/> Uses the questionnaire and asks open-ended questions to uncover the member's 'why'</li><li><input type="checkbox"/> Identifies obstacles, slows down for yellow lights, and stays off the solution</li></ul>                                                                                                                                                                               |       |
| <b>STEP 2: CONDUCT EVOLT BODY SCAN</b> <ul style="list-style-type: none"><li><input type="checkbox"/> Informs the member the scanner is a tool to understand the body beyond the scale</li><li><input type="checkbox"/> Informs the member the machine is sanitized after each use</li><li><input type="checkbox"/> Has member answer clearance questions when prompted</li><li><input type="checkbox"/> Asks the member to remove socks and shoes, step on pads, and hold arms out at 45 degrees</li><li><input type="checkbox"/> Informs the member that the email they enter will be used to sync results in AF App</li><li><input type="checkbox"/> After the scan, highlights one scan result positively</li><li><input type="checkbox"/> Informs the member they will show them where to view the rest of the scan data in the AF App at the end of the FC</li></ul> |       |

**STEP 3: CONDUCT EQUIPMENT ORIENTATION**

- ☐ Informs member they'll be shown how to use safely and effectively use equipment
- ☐ Asks the member which equipment they are interested in using first
- ☐ Asks the member if they have any questions along the way and answers
- ☐ Takes time to review gym rules and cleaning etiquette
- ☐ Points out water stations, emergency features in the club/equipment including spotting basics

**STEP 4: CONDUCT THE STRENGTH ASSESSMENT**

- ☐ Starts in functional area with a mat ready for member
- ☐ Instructs member to open the AF App, view the Strength Assessment on home screen or in History (if already completed), and tap "Start Workout"
- ☐ Has member complete each exercise for time / reps
- ☐ Asks member if they have any discomfort after each movement
- ☐ Instructs member to indicate weight lifted in app
- ☐ Completes 2-3 recovery movements with member if times allows

**STEP 5: PLAN THE JOURNEY**

- ☐ Staff member is prepared to prescribe a plan based on members goals, lifestyle, etc.
- ☐ Conducts AF App tour, highlighting the gym busy meter, Coaching tab, and how to add a custom workout.
- ☐ Showcases Training, Nutrition and Recovery showing how in-app tasks contribute to weekly ring completion and reminds them about additional AF Coaching services
- ☐ If time allows, uses a percussion tool with the member

*If the member purchases additional services*

- ☐ Completes service agreement(s)
- ☐ Schedules services
- ☐ Shows client how to message them (their coach) in the AF App
- ☐ Reminds the member they can connect their health data to the AF App
- ☐ Schedules a 6-week follow-up body scan

### STEP 6: KEEP IN TOUCH

*If the member does not purchase additional services*

- ☐ Reminds the member about the AF App (Apple Fitness+ where applicable) and to connect their health data
- ☐ Schedules 30-day follow-up fitness consultation
- ☐ Shows the client how to message them (their coach) in the AF App and lets them know to expect weekly check-ins from the coach via chat message

### PEOPLE SKILLS

### NOTES:

- ☐ Maintains a positive and friendly tone and helps the member feel comfortable
- ☐ Maintains positive body language
- ☐ Demonstrates active listening skills
- ☐ Answers questions in a simple yet informative way
- ☐ Avoids industry jargon and abbreviations like 'hypertrophy and 'HRV
- ☐ Recommends services with confidence
- ☐ Overcomes objections with confidence but not pressuring the member

## FEEDBACK DISCUSSION

The feedback discussion is an opportunity for the team member and facilitator / observer to exchange feedback on what went well, areas of improvement, and a skill / habit / action to be developed over the next two weeks.

Feedback should be specific and based on behaviors from this observation.

### BEFORE THE FEEDBACK DISCUSSION

**The facilitator identifies 1-3 things that went well and 1-3 things that could use improvement.**

### DURING THE FEEDBACK DISCUSSION

**Start by sharing what went well with specific, observed behaviors.**

- FACILITATOR shares 1-3 things that went well
  - 
  - 
  -

## OBSERVATION FEEDBACK FORM FITNESS CONSULTATION (Staff)

- TEAM MEMBER shares 1-3 things that went well
  - 
  - 
  -

**Then, focus on areas of improvement with specific, observed behaviors.**

- FACILITATOR shares 1-3 things that could use improvement
  - 
  - 
  -
- TEAM MEMBER shares 1-3 things that could use improvement
  - 
  - 
  -

### **DEVELOPMENT STRATEGY**

Together, identify one action, skill, or habit that can be developed over the next two weeks. At the next check-in, discuss what went well and what could still be improved. Update development strategy as needed.
