FEEDBACK DISCUSSION

The Feedback Discussion is an opportunity for the team member and facilitator/observer to exchange feedback on what went well, areas of improvement, and a skill/habit/action that can be developed over the next two weeks.

Feedback should be specific and based on observed behaviors from the Role Play session.

BEFORE THE FEEDBACK DISCUSSION

The facilitator identifies 1-3 things that went well and 1-3 things that could be used for improvement.

DURING THE FEEDBACK DISCUSSION

Start by sharing what went well with specific, observed behaviors.
