EQUIPMENT AND FACILITIES POLICIES

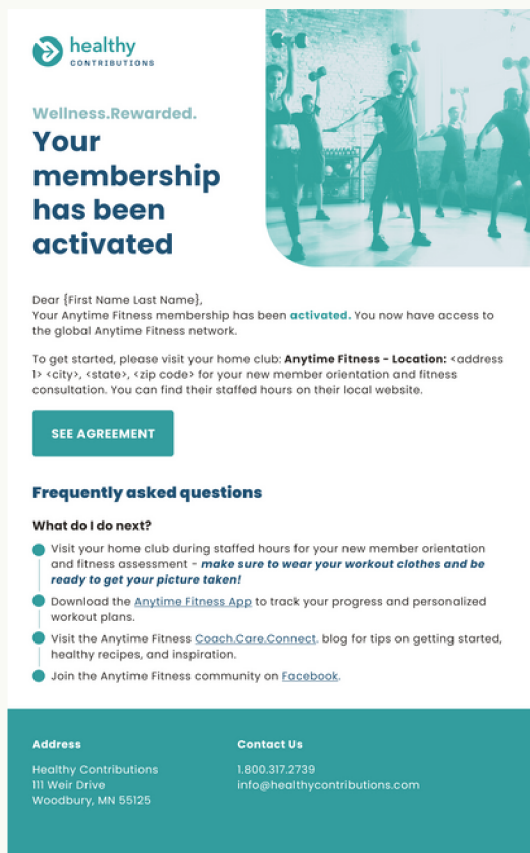

Our club has many different types of equipment to help you achieve your fitness goals. Prior to starting your fitness journey, we highly suggest you participate in a complementary fitness consultation with a qualified trainer. Through your personalized consultation, our team will provide you with education necessary to utilize the equipment safely and effectively. In case you do not take advantage of this initial meeting, please make sure to read and ask any questions you may have about the policies below. The following should serve as basic guidelines members should follow to keep everyone safe and feeling comfortable in the gym. Please initial after each section to demonstrate that you understand the policy.

FULL ACCESS DETAILS

The terms of your door access are based on your plan eligibility through your health plan/employer group.

- If member becomes ineligible, their key will be turned off.
- If member has not used their key within a certain time frame it may be turned off for security purposes.
- If member has a change to their plan's fitness benefit, see club manager to have this updated.

Remember to read and electronically sign your membership agreement and click "Save!"

You will receive a confirmation email after completing this step.

Step 4: Visit Your Club During Staffed Hours

- Wear comfortable workout attire.
- Be ready for a quick picture!
