The screenshot displays the 'TODO' app interface. At the top is a purple header bar with the word 'TODO' on the left, a grid icon, a plus icon, and the text 'Add' on the right. Below the header, the 'WORKOUTS' section is visible, featuring three items: 'Stationary Bike Cardio' (with a heart and pulse icon), 'Full Body Strength' (with a barbell icon), and another 'Stationary Bike Cardio' (with a heart and pulse icon). Each item has a three-dot menu icon to its right. The 'TODAY' section follows, containing two items: '4 minutes of peace with box breathing' (with a footprint icon) and 'Shop local (and fresh) at a Farmer's Market' (with a photo of people at a market). Both items also have three-dot and grid menu icons to their right.

## EXPLORE THE COACHING DASHBOARD BUILDER TAB

The image displays a web application for fitness coaching, specifically the 'Builder' section. The interface is divided into three main areas: a left sidebar, a central main content area, and a right sidebar.   
  
The left sidebar is a dark vertical bar with white icons and text. It includes links for 'Home', 'Clients', 'Groups', 'AF Training', 'Builder' (which is highlighted with a purple bar and a plus icon), and a search bar. Below the 'Builder' link, there are icons for 'AF Training' and 'Builder'.   
  
The central main content area is titled 'Builder' and contains a list of items categorized by 'PLANS', 'WORKOUTS', and 'EXERCISES'. Each category has a sub-header and a list of items with icons and brief descriptions. For example, under 'PLANS', there are 'AF Plans' (22 Plans), 'Club Plans' (5 Plans), and 'My Plans' (1 Plan). Under 'WORKOUTS', there are 'AF Workouts' (165 Workouts), 'Club Workouts' (29 Workouts), and 'My Workouts' (5 Workouts). Under 'EXERCISES', there are 'AF Exercises' (2956 Exercises), 'Club Exercises' (5 Exercises), and 'My Exercises' (2 Exercises).   
  
The right sidebar shows a detailed view of a workout named '[Workout Name]'. It includes a description, a list of equipment, and a list of exercises. The exercises are grouped into 'CIRCUIT x 4' and 'ALTERNATIVES'. Each exercise has a video player showing a person performing the exercise. The video player for the first exercise shows a woman in a red and black outfit performing a lunge. The video player has a play button and a progress bar.   
  
The overall design is clean and modern, with a focus on functionality and ease of use. The color scheme is primarily dark with white and purple accents.
