BRAND POSITIONING

No other health and wellness brand supports people better, so that they can live healthier, happier lives.

BRAND PERSONALITY

SMART

We're thoughtful and smart with everything we do. We're always learning and we want to share what we know. Making our clients smarter about their own bodies is everything to us.

LIKEABLE

We are the brand everyone wants to hang out with. We aren't just down-to-earth and approachable; we are the life of the party and always make things more fun.

CLEVER

Being funny doesn't mean we're silly or goofy. We have a smart, quick wit that always makes people smile. We're careful that our humor is never mean or condescending.

EMPATHETIC

We understand what our clients are going through because we've been there ourselves. We will always be the hand on their back.

UNCONVENTIONAL

We don't follow what everyone else is doing. We like who we are and that we do things our own way.

HELL YEAH!

BRAND BEACON

This phrase is what we want every client to feel when they interact with our brand. It's what we want every employee to feel when they go to work. It's what we want every potential new member to say anytime they hear from us.
