

APPLE FITNESS+ TEAM MEETING GUIDE

Use this team meeting guide to prepare your whole team successfully as you implement the new Apple Fitness+ benefits and offers available to current and future members. **Approximately 45mins - 1 Hour.**

Agenda	Time	Description
Welcome	5 min	Gather the team and make any club announcements.
Ice Breaker & Introduction	10 min	As a group, consider some brands with a strong digital component to complement their in-person services or products. Explore what the benefits are to those brands having that solid digital presence. Next, review / share the Anytime Fitness Vision: Anytime Fitness will deliver personalized coaching that provides training, nutrition, and recovery guidance accessible anytime, anywhere, and proven to improve health outcomes over time. As a group, discuss how the new benefit to your members will help you deliver on this vision.
Anytime Fitness & Apple Fitness+ Overview	15 min	Resource to Review as Team: Anytime Fitness & Apple Fitness+ Initiative Page and Resource Center Pages
Roles & Responsibilities	5 min	Spend some time outlining what implementing the Anytime Fitness & Apple Fitness+ experience looks like in your specific team's structure. Examples: - Managers should plan to begin integrating the benefits and offers when nurturing leads, during the membership tour and presenting membership options. - Coaches should plan to discuss the added benefits of redeeming the offer within the Anytime Fitness App and adding insanely great content to member's personalized plans.
Review Action Items	5-15 min	Schedule 5-10 minutes for a daily huddle and roleplay session of the Member Life Cycle.
Closing	10 min	Wrap up and answer any outstanding questions
