

PROVIDER PROGRAM RECRUITMENT DETAILS

HOW TO FIND A DPT OR DC (Dr. of Physical Therapy, Dr. of Chiropractic)

WHO YOU ARE LOOKING FOR

- **Regional** practice looking to expand (hub and spoke)
- **Local smaller** practice looking for growth opportunities (low capital expansion)
- **Individual** Physical Therapist or Chiropractor (DPT OR DC) looking to start their own private practice (low barrier way to start up their practice)

WHERE YOU SHOULD LOOK

- **Google** – get familiar with practices in your local community and surrounding regions in your state
- **LinkedIn** – search for DPT OR DC's in your area and connect with leadership for established practices
- **Facebook** – search for practices in your area
- **Word of Mouth** – spread the word within your local network and in the gym for contact introductions
- **Local and National Provider Job Boards** – does your state have any free organizations for DPT OR DC's?

HOW YOU SHOULD REACH OUT

- **LinkedIn** – be bold! Send direct messages to leadership in established practices and directly to DPT OR DC's
 - Fun fact – we got connected to Athletico by directly messaging their CEO!
- **Email** – if you find emails and phone numbers in your google search, use them! Recommend trying LinkedIn first and using email and phone as follow up
- Post Ads on **Facebook, Indeed** and **local job boards**
- Post on your **club's Facebook** and personal Facebook and LinkedIn

- Post on **local** and **national Provider job boards** – APTA &/or any state specific, free boards

JOB POSTING AND PARTNER REQUIREMENTS

Example Outreach Message (tailor to your voice and needs):

"Hi XXX,

I am the owner of Anytime Fitness XXX & I am looking to expand my recovery services within my club and think there might be a solution for both of us in our Provider Program. Within our membership base of (XXX) we have a high demand for Physical Therapy, Chiropractic and other ancillary recovery services (cupping, dry needling, etc). Our franchisor (Anytime Fitness) is supporting this effort through an already proven store within a store model.. Are you interested in connecting about what we are doing and where we want to take this program to see if it makes sense to discuss for you and your business?"

Example of a job posting and partner requirements:

DPT or DC Job Posting:

Borrowed and edited from <https://www.ziprecruiter.com/hiring/job-description-template/physical-therapist>

We are seeking an experienced and caring Physical Therapist or Chiropractor to join our growing Anytime Fitness Club as an independent DPT OR DC or expansion of established practice. This individual would act as our partner and advocate for patients and members on their road to recovery, from diagnosis to the completion of rehabilitation and transition into personal training. Patient and AF member quality of life, range of motion, overall safety and return to fitness should be the sole focus of any partner.

Benefits of Partnering with AF:

- Low capital opportunity to start or expand business
- Direct access and referral base of AF members
- Access to state-of-the-art cardio and other strength and conditioning equipment
- Community of trusted personal trainers to refer patients to and collaborate on care plans

- AF negotiated preferred pricing with AdvancedMD for billing, scheduling and credentialing services
- Flexibility in practice to build your own business plan (insurance vs cash pay, pricing, etc.)

Who this is for:

- A Physical Therapist or Chiropractor who is interested in starting their own business or expansion of established practice
- Someone who believes in fitness and exercise as supplemental healing modalities
- Open to collaboration and connection with the community
- Interested in practicing in a gym environment
- Entrepreneurial approach to bringing a practice to life inside the gym and outside the 4 walls

PROVIDER PARTNER REQUIREMENTS

- LLC/Tax ID Number
- Malpractice Insurance
- National Provider Identifier (NPI)
- State Specific License
- Location Specific Credentialing
- Equipment (bed and other therapy specific equipment needs)
- DPT or DC should consult their attorney on any other state specific requirements such as...
 - Are Direct Access services legal in your state?
 - Are care extenders legal in your state? If so, which ones? (PTA, Rehab Aid, CPC, etc).
- Consent Form for membership and training
