☐ PAR-Q (Health questionnaire)

COLLECTING THE STORY (STAFF)

1. Is there anything specific that you would like to learn during our time together today?

2. Tell me about your primary health goal and any others you have.

3. Do you have any specific goals around nutrition and / or recovery?

4. What made you decide today was the day to start working toward these goals?

5. Tell me more about your experience with fitness (example: you have ____ experience weightlifting and your current cardio level is ____).

Coaches: this information comes from the AF App Onboarding responses provided by the member and should be reviewed before the FC.

6. Why is this goal so important to you?

7. What days, times, and for how long do you plan to work out each week?

8. How can we best support you in reaching your goals?

9. Rank the following in the order you think you need them (1 being most important, 3 being least important):

Accountability

Support

Guidance
