STEPHEN DRUM'S EXECUTION STRATEGY

**BIG THINKING.
CLEAR STANDARDS.
NO EXCUSES.**

A woman in a teal tank top and light pink leggings is performing a deadlift in a gym. She is holding a barbell with black weights. The gym has a high ceiling with exposed beams and fluorescent lights. In the background, there are racks of dumbbells and other gym equipment. Other people are visible in the background, some working out. The text is overlaid on the image in a white, sans-serif font.

**“Award-winning results
don’t come from inspiration.
They come from executing
consistent behaviors.”**

STEPHEN TAUGHT US PERFORM ON THE “X”

Committing to the standard.

Mastering fundamentals with consistency & discipline.

Executing with focus, poise, & agility.

Reflecting so the next rep is better than the last.

BE
BRILLIANT
AT THE
BASICS.

TODAY
DIVING INTO EXECUTION

Great execution is built on
consistency, not complexity.

WHY THIS MATTERS

When we operate **together**,
consistency becomes our **strength**.

Consistency Creates Credibility

Credibility Builds Trust

Trust Drives Revenue Growth

**WE'RE JUST SO
EXCITED!**
